pup students

AT RPH, WE OFFER OUR UNDERGRADUATE NURSES **EXCEPTIONAL LEARNING OPPORTUNITIES** AND THE BROADEST RANGE OF **SPECIALTIES** AVAILABLE ACROSS A **COMPREHENSIVE RANGE** OF ADULT HEALTH CARE SERVICES.

ROYAL PERTH HOSPITAL IS THE **LEADING TEACHING HOSPITAL** AND THE **MAJOR TRAUMA CENTRE** FOR WESTERN AUSTRALIA.

> What's on offer?

The partnership undergraduate program offers the undergraduate registered nurse an opportunity to choose RPH for all of their acute adult nursing practicals from stage/semester 3 onwards.

Royal Perth Hospital is experienced in delivering the ideal supportive and rewarding learning environment that a student nurse needs.

RPH is internationally recognised for its continuing contribution to the world of health care. What is important to us is that you, your family, and the community benefit from our research and health care.

That is what drives us. This is what makes us proud. We invite you to play a role in this leading team.

There are some excellent reasons to join the team at RPH as a PUP student:

> SPECIAL PROVISIONS FOR PUP STUDENTS

- > RPH ID badge and access control card
- > Subsidised safe secure car-parking in the multistorey car-park in Perth City Campus, and free parking at Shenton Park Campus
